The parties in this matter reached a conditional settlement at the mediation held on November 14, 2008 supervised by mediator Jeffrey Ross. That settlement required the preparation and circulation of a written settlement agreement as well as signatures from concerned third parties located overseas.

1 On March 4, 2009, confirmation was received that the final signature by Hot Topic's  
2 insurance company, Travelers, had been completed and the settlement payment processing and  
3 dismissal could begin.

4 The parties request that the Case Management Conference currently set for March 6, 2009,  
5 at 8:30am in Dept. 9 be taken off calendar and the matter set for a dismissal review after settlement  
6 in approximately 30 days, which should give adequate time for the dismissal to be processed and  
7 filed.
